Apple Stamping Tree Craft for Kids to Make

Materials Needed:

- 1 small apple
- Tree printable [#1](#) (you have to save the image on your computer and then print)
- Red, orange, brown, and yellow paint
- Knife (cutting)

Instructions:

1. Start by cutting an apple in half. Print off a fall tree coloring page or draw your own on a white piece of paper!
2. Have the kids dip their apples in paint and stamp it on top of the tree making the “leaves.” We washed off one apple when switching from

yellow to orange paint. Finish the art project by painting the tree trunk brown and let dry!
