Ingredients

- 1/4 cup cream cheese
- 2 slices seeded bread
- 1 mini cucumber

Instructions

1. Spread the cream cheese onto the bread by using a spreader or butter knife.
2. Once the cream cheese is spread on both slices of bread start slicing the cucumber into thin slices.
3. Place the cucumber slices onto one slice of the bread.
4. Once the bread is covered with cucumber slices you can sandwich the pieces together and slice into desired shapes or sizes.
5. Cut off the crust if desired.
