What you will need:

Heavy Duty Red Balloons (Use the strongest balloons you can find)

Flour

Funnel

Green Craft Foam

Permanent Marker

How to make:

1. Before class cut tomato leaf shapes from green craft foam and punch a hole in the middle and write the Bible verse or the word "gentleness" on the leaf with a permanent marker.
2. Help your children fill up red balloons with flour using a funnel. Place the funnel in the opening of the balloon and place flour in the funnel. Use a pencil to push the flour down into the balloon.
3. Stick the top of the balloon through the hole in the leaf. Tie the balloon. Let your children draw faces on the balloon with a permanent marker. Tell your children that when we are under stress we sometimes aren't as gentle as we should be. When things are going their way or they are very frustrated they can squeeze the balloons and ask God to help them not to lose control.
